BGEasy Automatic Payment Plan

Take your time.

Can you think of a few things you'd rather do this month than pay the bills? While BGE can't take care of all your monthly bill paying, we can eliminate the hassle of paying one. Sign up now for the BGEasy Automatic Payment Plan. We'll take the hassle out of paying your gas and electric bill and give the time back to you.

It's automatic.

With BGEasy, the amount of your BGE bill is automatically transferred from your bank account on the due date of your bill. The following month your BGE bill and bank statement will reflect the payment just as if you had taken the time to write out a check.

More time. More money. Less worry.

With your utility bill automatically paid, time isn't the only savings benefit. You'll save money on postage and checks, or the trouble of traveling to the nearest payment center. And since your BGE bill is always paid on time, you avoid the late charges and the worry.

Free and easy.

With the BGEasy automatic payment plan your utility bill is taken care of and, better yet, it's a free service. Even if you change banks six months from now, you'll still be able to pay your bills automatically at no charge.

Here's how to sign up.

Enrolling in BGEasy is a simple three-step process:

1. Write VOID across one of your checks.
 2. Fill out the application with this brochure.
 3. Mail the voided check and the application to BGE.
- * To deduct your payment from your savings account, obtain the Routing Number from your bank, fill out the application and mail it to BGE.

If you're not satisfied with the program, you may cancel at any time. Just notify us in writing at least 10 days before your next bill is due. Please include your signature.

Questions?

How will I know when BGEasy has started?

The first month the Plan takes effect, and each month after, you will receive your regular BGE bill telling you not to pay the amount shown. It will also tell you the date the funds will be withdrawn from your bank account.

What proof will I have that my bill's been paid?

Your next month's bill will note that the previous bill was paid. Your monthly bank statement will also show the funds were sent to BGE.

What if there's an emergency and I don't have the money to cover my BGE payment?

Emergencies happen. When you know you will not have sufficient funds to pay your bill, call us at the number listed below *at least two days before the withdrawal due date.*

What if I change banks?

Call us. In most cases you will just fill out a new application and send a voided check from your new account. There is no charge for switching, and you will still get all of the benefits of BGEasy.
