Questionnaire

1. Does the public service metered account(s) exclusively serve apartments? If yes, go no further, you do not qualify for the exemption. Yes \_\_\_ No \_\_\_
2. Does the public service metered account(s) exclusively serve residential condominiums? Yes \_\_\_ No \_\_\_
3. Does the public service metered account(s) serve a combination of residential apartments and condominiums or commercial offices? If yes, is the majority of service for residential condominiums? The majority of usage will be considered residential if more than 50% of the units served by a public service metered account in a condominium/apartment complex is for residential condominiums. Yes \_\_\_ No \_\_\_

If you answered yes to questions 2 and/or 3, please complete the following Exemption Certification.

Exemption Certification

I hereby certify that the majority of the gas and/or electricity provided at the public service metered account location(s) as noted below is used in residential condominiums. If more than one public service metered account qualifies, please attach a separate list including the customer name, service address and account number.
