Energy Choice

Energy Choice allows you to make smart energy choices and decide which energy supplier best fits your needs. You can choose to purchase your gas and/or electricity from any energy supplier that is licensed by the Maryland PSC and registered with BGE.

Be sure to research and compare suppliers. Look carefully at the details of each supplier’s offers and contract terms. Does the supplier offer flat rate, charge a variable market rate, or guarantee a discount compared to BGE’s price? Also consider the length of the contract term and ask if the supplier charges an early termination fee.

1. For electricity supply, use the BGE Electric Supply Comparison Information, which appears in the “Important Information About Your Bill” section on your BGE bill, to compare BGE to other suppliers’ offers. You can also find BGE’s historic gas prices and BGE’s electric supply price information at bge.com/energychoice.

2. Before signing a contract with a new supplier, be sure the company is licensed by the Maryland PSC and registered by BGE. For a list of suppliers and contact information, visit bge.com/energychoice or visit psc.state.md.us.

3. Once you have selected a supplier, contact them directly. Suppliers will request your Choice ID number when you sign up for or change your electric or gas plan. Refer to the Electric and Gas Choice ID numbers on the back of your BGE bill. Your Electric Choice ID number appears in the “Electric Details” portion of your bill and the Gas Choice ID number appears in the “Gas Details” portion of your bill. Choice ID numbers are not the same as your BGE account number.

4. After you authorize a supplier to enroll you, they will contact BGE.

Even when you choose other energy suppliers, BGE will deliver your gas and electricity, maintain pipes and wires, restore power after an outage and provide emergency service.

SAVE ENERGY, SAVE MONEY TIP:

Choose EnergyStar® appliances when possible for lower operating costs.
If you are having difficulty paying your gas and electric bills, please call one of the telephone numbers below to reach a BGE office. We may be able to work out payment arrangements.

See pages 7–10 for special BGE programs and additional bill payment options.

BGE Special Programs

Budget Billing
Budget Billing smoothes your utility payments by spreading them evenly throughout the year, so you will know what to expect each month. So despite unpredictable swings in the weather, your energy bills are still predictable.

Under this payment plan, BGE calculates your budget bill amount by averaging your 12 most recent gas and electric bills plus any accumulated imbalance amount. BGE will still continue to read your meter each month and your bill will always show details of the actual charges and consumption for the billing period, as well as your account balance.

To prevent any large deficits or overpayments, BGE will review your account throughout the year. If your budget billing amount needs to be adjusted higher or lower than current monthly payments to reflect your actual usage, BGE will notify you one month prior to the change with your new Budget Billing payment amount. Interest at the rate of one half of one percent per month is applied to any credit balance in your Budget Billing account. Interest will be credited annually to all customers in the month of June.
If you have selected an alternate gas or electric supplier, BGE will still deliver your energy. However, your Budget Billing amount will only include your gas and/or electric delivery service charges from BGE. The charges from your supplier will be listed as a separate item on your bill. Most residential and small commercial customers are eligible for Budget Billing and you can join or withdraw from the program at any time. To sign up for Budget Billing, call 800.685.0123.

**Bill Extender Plan**

If you receive a monthly income (such as a retirement pension, Social Security benefit and/or financial aid through government-sponsored, limited-income assistance programs), BGE will adjust your bill’s due date. Call us for more information on our Bill Extender Plan at 800.685.0123.

**Third-Party Notification**

If you are ill, away from home for a long time, or unable to handle your own affairs, you may designate a third party to receive a copy of your bill or final turn-off notice. A third party can arrange payment or investigate on your behalf without being liable for the account of the customer. Please call BGE at 800.685.0123 for more information.

**Customers with Special Needs**

If you or a person in your household has a serious illness or uses life support equipment, as certified by a physician, a certified nurse practitioner, or physician’s assistant, you may postpone service disconnection for an initial period of 30 days. You must enter into and comply with a deferred-payment plan within 30 days of submitting the certification. For more information, please call BGE at 800.685.0123.

**Hospital Program**

If you are in the hospital and worried about not paying your BGE bill on time, contact a hospital social worker. The social worker will call BGE to explain the situation and discuss the time of discharge of the patient.
**BGE Payment Options**

**BGEasy Automatic Payment Plan**
Automatically transfers funds from your bank account to BGE on the date your bill is due. The following month your bill will reflect your payment. To sign up for BGEasy, call **800.685.0123**.

**Payments by Telephone**
You may pay your BGE bill over the telephone from your checking account, debit card with the Star, PULSE or NYCE logo on the back or one of the following credit cards: MasterCard, Discover, Visa (residential only) and American Express.

**Note:** A fee will be charged for this service. Call 888.232.0088 or use this service online at http://paynow7.speedpay.com/BGE/index.asp.

**Internet Billing**
- Check only
- Receive and pay your bills online at bge.com
- Pay your BGE bill and many other bills at myCheckFree.com
- View and pay your bill online through your bank

**Note:** You will not receive a paper bill.

**Authorized Paybill Agents**
Global Express and America’s Cash Express are authorized to accept BGE bills, including turn-off notices. Same day service restoration is available if payment is made before 3:00 pm. Most locations accept cash, personal checks and money orders (including Department of Social Services checks). Payments can be made with or without your bill as long as your account number is provided. Global Express and American Cash Express locations have extended hours in the evenings and weekends. There are authorized locations in Baltimore and the Washington, DC Metropolitan Areas. For a location near you, call America’s Cash Express at **877.223.2274 (877.ACE.CASH)** or Global Express at **800.989.6669**.

**Note:** A fee may be charged for this service.

**Drop Boxes**
For your convenience, there is a payment drop box located outside BGE’s main entrance at 110 W. Fayette Street, Baltimore, MD 21201. **NO CASH PLEASE.**
U.S. Mail
Mail the bottom portion of your bill and your check or money order (DO NOT SEND CASH) in the self-addressed envelope included with each month’s bill. Mail your payment at least five days before the due date to avoid late charges. Send payments to: BGE, P.O. Box 13070, Philadelphia, PA 19101-3070.

Note: Turn-off notices should be paid in person at a Paybill Agent location. For more information on payment options, call 800.685.0123.

Disconnection and Reconnection of Service

Disconnection of Service
Service may be disconnected for a number of reasons such as nonpayment of utility bills or security deposit, failure to allow us access to our equipment, safety issues and violation of the Code of Maryland Regulations or BGE Electric or Gas Service Tariff Provisions. The amount of advance notice required also varies based on the reason for the disconnection.

Reconnection of Service
Customers must pay the amount of the current and past-due bills in full, applicable reconnection fees, and any required deposit to have service reconnected. If a check used for payment of a turn-off notice or for service restoration is returned by the bank, the service is subject to denial without further notification.

Fuel Fund of Maryland, Inc.

www.fuelfundmaryland.org

Fuel Fund of Maryland (FFM) helps people pay their utility bills. As part of the assistance process, FFM clients enroll in our Affordability Solutions program which assists participants with access to energy conservation programs, and “energy coaching” to provide a personalized plan to reduce their energy burden. For BGE customers, every $2 paid by FFM and the client will be matched with an additional $1 of support.

What Does FFM Pay?
FFM may pay a portion of a client's outstanding energy bill owed to a utility or fuel oil company. The client is responsible for paying the balance. Payments made by, or on behalf of a client, must be verified through the utility company before FFM will commit funds.

Who Is Eligible?
Applicants must apply for energy assistance from the Office of Home Energy Programs (OHEP) prior to applying to FFM. A client’s gross household income may not exceed 200 percent of the federal poverty guidelines. Higher income households experiencing a recent, sudden, and severe financial hardship may also be eligible. A household may only receive bill assistance from FFM once per year.

How Do I Apply?
Go to www.FuelFundMaryland.org and click “get assistance” OR call 211 or 410.685.0525.

Clients can only work with one fuel fund at a time because the funds and matching credits all come from Fuel Fund of Maryland.

Maryland OHEP offers a number of programs designed to help people pay their energy bills. These programs include:

**Electric Universal Service Program (EUSP)**
The EUSP provides assistance with electric bills for both cooling and heating needs. EUSP has two components:

* **Electric Universal Service Program Bill Assistance**
  
  This program awards assistance dollars to reduce future electric bills. The grant is available once each program year, requires that customers participate in a budget billing program, and reduces the monthly payment customers would otherwise pay. The applicant for benefits must be the named account holder with BGE.

* **Electric Universal Service Program Arrearage Retirement**
  
  Customers may be eligible to have a past due electric bill paid if they have not already received a benefit for a past due bill under this program within the past seven years. Funding for past due benefits is subject to availability of funds. The applicant must also be eligible for bill assistance to receive this benefit.

**Maryland Energy Assistance Program (MEAP)**
This federally funded program assists customers with their winter heating charges. Grant dollars can be applied directly as a bill payment or to a budget plan that reduces your monthly payments. This grant is available once per program year.

**Who Is Eligible?**
Find your household size on this chart. If your monthly income is less than or equal to the amount to the right, you may be eligible for MEAP/EUSP.

**Note:** Continue to make payments on all your energy bills to avoid accumulating past-due amounts.
Where Do I Apply?
Apply at your local OHEP office anytime during the year. See pages 18–20 for your nearest office.

At least 15 days after applying, you can check the status of your application by visiting http://myohepstatus.org.

Utility Service Protection Program (USPP)

If you qualify for the Maryland Energy Assistance Program (MEAP), you may be eligible to participate in USPP.

When you join USPP and your MEAP grant is paid directly to your utility, you will pay the same amount every month subject to periodic adjustments.

Your MEAP grant is subtracted from the amount you owe for gas and electricity (current and past due). If there is any amount ($12 or greater) left over, the amount will be divided into 12 credits that will be applied to your bill over 12 months. If there is an amount left over that is less than $12, that amount will be applied in total to your next bill. For example, if the amount owed after applying your MEAP grant to past-due charges is $200, your grant would be figured as follows:

\[
\begin{align*}
\$260 & \quad \text{MEAP Grant} \\
- \$200 & \quad \text{Amount owed at the time the grant is received} \\
\$60 & \quad \text{Grant Credit Balance will be divided by 12, so $5 would be applied as a credit to your bill for the next 12 months.}
\end{align*}
\]

If your service is already OFF, follow these steps:

1. Apply right away for MEAP and USPP assistance. You can use your MEAP benefit to reduce your bill.

If your bill is greater than $400, and you have not previously participated in USPP, in order to be reconnected you must pay an amount sufficient to reduce the outstanding amount due to $400. If you have previously participated in USPP, you must pay the greater of the amount to reduce your outstanding arrearage to $400 or the amount covering your monthly installments in arrears and supplemental payment plan, if any.

You will not be charged a reconnection fee or an additional security deposit if you meet these requirements.
Utility Service Protection Program (USPP) (cont.)

2 Find out if you are eligible for any of the following additional sources of money:
   • Emergency grants from Social Services
   • Fuel Fund
   • The Renters’ Tax Credit Program available from the Maryland Department of Assessments and Taxation
   • The Earned Income Credit available from the Internal Revenue Service
   • Other sources identified by assisting agencies

3 Figure out how much you can pay from your own funds. Ask family and friends if they can assist you. See if your clergy or neighborhood association can help.

4 Don’t forget to talk directly to your utility company about getting your service turned on and to find out if there are other payment plans available.

Health Information
Maryland Health Connection is Maryland’s official health insurance marketplace. It offers Marylanders a range of health coverage options from health insurance carriers and public health care programs. You can get the coverage you need online, over the phone or in person. You can also submit an application by mail.

Maryland Health Connection is also the only place in Maryland where individuals, families, and small businesses can get financial help with their health coverage costs, if they qualify.

For more information call **855.642.8572** or visit [www.MarylandHealthConnection.gov](http://www.MarylandHealthConnection.gov).

**Maryland Medicaid, Maryland Children’s Health Program (MCHP), and MCHP Premium**

Medicaid is a joint federal-state program that provides health coverage, long term care, and supplemental assistance with Medicare costs to low-income children, adults, parents, caretaker relatives, adults without dependent children, pregnant women, and the aged, blind, and disabled. In Maryland, Medicaid (also called Medical Assistance or “MA”) is administered by the Department of Health and Mental Hygiene.

MCHP and MCHP Premium provide health coverage for children up to the age of 19. MCHP coverage is available at no cost to children who qualify. Children enrolled in MCHP Premium must pay a small amount each month in order to receive benefits.

You or members of your family may qualify for Medicaid through Maryland Health Connection and receive free or low-cost health care. Enrollment in Medicaid and the Maryland Children’s Health Program (MCHP) is year-round.

You can enroll online at [www.MarylandHealthConnection.gov](http://www.MarylandHealthConnection.gov) or by visiting a local health department or department of social services.

Electric Safety

**Fallen Wires** – During storms, wind and trees can damage utility equipment. If you see downed electrical wires, stay away and warn others. Immediately call BGE, and we’ll send a crew to fix the problem. If a wire falls across your car while you are in it, do not get out of the car until emergency help arrives and it is safe to exit.

**Overhead Lines** – When working outside, stay at least 10-ft away from overhead power lines. If you need to work within the 10-ft safety zone, call BGE first and we will work with you to make the area safe. Also, use a professional to trim trees near overhead power lines.

Natural Gas Safety

**If you detect a gas leak:**

- Leave the premises immediately and go to a safe place where you can call BGE at 800.685.0123.
- Extinguish all open flames. Do not use matches or lighters and do not attempt to light an appliance.
- Do not touch any phones, electric switches, thermostats or appliance controls. All of these devices, including battery operated equipment, can cause sparks and ignite natural gas.
- Do not start or turn off any vehicles or motorized equipment. Abandon any motorized equipment you may be operating.
- Do not attempt to find the source of the leak or to repair a leak.

Even homes that don’t use gas can experience gas leaks through walls from outdoors. Calls for emergency gas service are answered 24 hours a day, seven days a week. A service person will come to your home free of charge. Remember, if you smell gas, leave your home first, THEN call 800.685.0123.
