

Here's a rewarding way Marylanders are saving energy and money...

\$50 reward for recycling an old fridge
or freezer! You call, we'll haul!

Recycle

Schedule your pickup at **866.898.1901** or visit [BGESmartEnergy.com/RecycleRewards](https://www.BGESmartEnergy.com/RecycleRewards).

An Exelon Company

REFRIGERATOR

\$50
REWARD

ROOM A/C UNIT

\$25
REWARD

DEHUMIDIFIER

\$25
REWARD

FREEZER

\$50
REWARD

We're all rewarded when old appliances are recycled!

Ninety-five percent of each appliance is recycled, helping to reduce:

- Energy consumption
- Ozone-depleting emissions
- Materials in landfills
- PCBs and used oil in the environment
- Demand for raw materials to make new appliances, such as steel, copper, aluminum, glass and plastic

Visit BGESmartEnergy.com to learn more.

Get rewarded for recycling your old working appliances.

To schedule your pickup, call **866.898.1901** or visit **BGESmartEnergy.com/RecycleRewards**.

BGE customers are getting \$50 for their old refrigerators and freezers, and \$25 more if they recycle an old room A/C unit or dehumidifier at the same time. You can too! And, you'll save money, since old models can waste as much as \$100 a year. Plus, we'll pick up and haul away your old energy-eaters for recycling at no additional cost to you. It's one of the many ways we're helping Marylanders save energy and money.

For BGE residential electric customers only. Refrigerator or freezer must be 10-30 cubic feet, and room A/C unit or dehumidifier must be picked up at same time as the refrigerator or freezer. All appliances must be in working condition and plugged in at time of pickup. See website for details.

This program supports EmPOWER Maryland.
